**Minutes of Meeting**

Date: 19<sup>th</sup> Nov. 2022

The IQAC meeting was held on 19<sup>th</sup> Nov. 2022 at 4:30 pm in the board room of the institute.

Day of Meeting: Saturday

Timing: 4:30 pm

The IQAC coordinator Dr. Manisha Jagtap welcomed all the members to the meeting of IQAC. She informed all members about the action taken against the points discussed during the meeting on 10<sup>th</sup> June 2022.

The following points were discussed and agreed upon for further action in the matter

Agenda 1: The Chairperson of IQAC proposed to go for NAAC accreditation in the next academic year and advised all concerned to conduct IQAC meetings regularly.

Resolution 1: All the members welcomed the proposal and agreed to meet regularly for the same.

Agenda 2: Dr. Manisha Jagtap proposed to discuss the academic planning for the year 2022-23. She has suggested the members arrange to conduct field visits and outbound activities.

Resolution 2: The members resolved to conduct the field/industrial visit and outbound activity for the students to know the functioning of the industry. All the members have approved the academic plan.

Agenda 3: The members initiated a discussion on the Induction program for the batch (Batch 2022-24) to be conducted with proper planning.

Resolution 3: The Head of the department was assigned the responsibility of planning of formal induction program and faculty members were assigned for the smooth conduction of the program.

## Activity Proposed by IQAC

### Industrial Visit

**Preamble:** Industrial visits, often referred to as industry visits for students, are an essential part of the academic curriculum in most of the management courses. Being a part of interactive learning, such educational visits give students major exposure to real working environments along with a practical perspective of a theoretical concept relevant to their domain. The objective of industrial visits is to bridge the widening gap between theoretical learning and practical exposure by giving students first-hand exposure to identify the inputs and outputs of different business operations and processes performed at the workplace.

Intending to go beyond classroom learning, industrial visits for college students contribute a lot in holistic student development by letting students learn about the current trends in the market, the future scenario of the industry, and the new technologies that are being applied in the industry.

(Approved by AICTE, New Delhi, Recognized By Govt. of Maharashtra, Affiliated to S. P. Pune University)  
(AISHE Code : C - 41293, PUN Code - IMMP014030)

**Visit of M B A students to Baramati industrial area:**

An insightful and enriching “Industry visit” to “Hytech Textile Park in Baramati” was initiated by IQAC for students of M B A batch 2021-2023 and 2022 -2024. Witnessing cutting-edge technologies, sustainable practices, and the intricate processes of textile manufacturing was an eye-opening experience. Guided by industry experts, our students delved into quality control measures, supply chain management, and the role of innovation in shaping the future of the industry.

The visit left our students inspired, equipped with valuable insights, and fuelled with a passion to pursue careers in this thriving field. An educational journey in the world of textiles and beyond.

**Activity Proposed by IQAC**

**Case Study Workshop**

**Preamble:** The most fundamental component of management education is to develop and foster the students' skills to analytically evaluate information and think. The prime objective of an MBA course is to not only to train the students in the explicit management course but also to prepare them to administer key positions with appropriate leadership trait in life, contributing profoundly towards profitability and goodwill by bringing a positive change as a change agent in their respective organizations. Henceforth this is quintessential for MBAs to be trained on live organizational settings with the help of cases or case study.

**Case Study workshop for students and faculty members**

Keeping above in view DIMR has organized a Case Study Workshop on Friday, 16th June 2023 to sharpen problem-solving skills and delve into the world of case study analysis. Resource Person for the workshop was Dr. Amod Markale

**Resource Person**

**Dr. Amod Markale** (Professor)

**DAY & DATE : Friday 16th June | TIME : 10 am onwards**

**Venue: DIMR Seminar Hall**

Don't miss this opportunity to sharpen your analytical skills and broaden your understanding of business scenarios.

📍 SKP Campus, Baner, Balewadi, Pune - 411 045 INDIA

(AISHE Code : C - 41293, PUN Code - IMMP014030)

Dr. Amod Markale, the resource person gave the insights to students and faculty members how to approach the case solving. The workshop offered the comprehensions to the students engage in real world business challenges, honed their critical thinking and decision making skills and crafted innovative solutions.

Students and faculty members participating in case study workshop

After the completion of theoretical inputs students were divided in to groups and each group was given a case study to analyse and present their views. All the groups by rotation presented the learnings from the case assigned to them. Thus all participants had a rich experience and got insights into case study Analysis.
